Re: ESF Competition Situation 2015

Dear ESF members,

Let me inform you about the ESF competition situation 2015.

European Championship Women and European Championship Cadet Girls 2015:

The ESF Competition Committee **had to restructure** the pools of the European Championship Women 2015 due to the withdrawals of two teams – Belgium and Bulgaria.

In this specific situation the ESF Competition Committee followed the principle in respect to the ESF rating system and decided to leave pool D just with 4 (four) teams and to move Poland from pool C to pool B. Below is the final set up of the pools for EChW 2015. If there will be any other withdrawals, the ESF Competition Committee might need to make changes.

European Championship Women			
Pool A	Pool B	Pool C	Pool D
Netherlands	Russia	Czech Republic	Italy
Sweden	Spain	Austria	Great Britain
Germany	Poland	Ukraine	Slovakia
Denmark	Croatia	Slovenia	Switzerland
Israel	France	Ireland	

The ESF Competition Committee **had to restructure** the pools of the European Championship Cadet Girls 2015 due to the withdrawals of four teams – Serbia, Netherlands, Israel and Lithuania. The ESF Competition Committee used ESF Specific Competitions Regulations Appendix 02.06. and based on official rating decided to restructure teams into two pools. If there will be any other withdrawals, the ESF Competition Committee might need to make changes.
